CATERING & CORPORATE

Cater your meeting, from the 7th floor.

7th floor · 295 The West Mall, Etobicoke

Feeding a meeting, a boardroom, or a full event day? **Order together in one shared cart.** Your team adds their own items, you approve once, and Cafe 295 takes care of the rest. Prices match the cafe to the cent, and everything is labeled with who ordered what.

HOW IT WORKS

1 Start a cart

Open the catering link and set the basics: your name, company, date, and where it is going. You get a cart number and a passcode to manage it from any device.

3 Send it in

You submit and the cafe confirms every order. Running a full day? Turn on a tab and order in rounds — breakfast, lunch, extras — each heading to the kitchen right away.

2 Share the link

Send it to your team. Everyone opens it, adds their own items under their own name, and watches the cart fill in real time. No spreadsheets, no chasing.

4 Settle once

One bill covers everything. Pay in person at the counter, or securely by phone or computer. Your receipt comes from Square, ready for expenses.

RIGHT ON YOUR FLOOR

We cater into the boardrooms and suites next door.

Cafe 295 sits on the 7th floor of 295 The West Mall, alongside the Jilani Place boardrooms and suites. We bring catering to your meeting room, or any suite in the building, fresh and on time — a short walk from the kitchen, not a van across the city.

THE DETAILS

Everything a planner asks about.

• Order anytime No advance booking, no cut-off. Place an order whenever you need it. About 60 minutes notice is all we ask so the kitchen can make everything fresh.	• Headcount & size No minimum to get started. Larger orders get a quick confirmation from the cafe, and there is plenty of room to grow a big event.
• Delivered in the building To any suite in 295 The West Mall, on any floor, plus every Jilani Place suite on the 7th. Or collect it at the counter, ready to go.	• Named for everyone Every item is tagged with who ordered it, so nothing gets mixed up when it reaches the table. Ideal for meetings with a mix of preferences.
• Flexible payment Pay in person at the register, by phone, or online. Boardroom tabs settle once at the end of the day. Receipts come from Square for clean records.	• Changes Adjust anytime before it is sent. Once a round is on its way to the kitchen it is locked in — because it is already being made fresh for you.
